PUBLIC NOTICE

FSC ADVISES OF SCHEDULED KREGISTRY PLATFORM MAINTENANCE

PROVIDENCIALES, Turks and Caicos Islands; Wednesday, 12th August, 2026 - The Turks and Caicos Islands Financial Services Commission advises all users that scheduled upgrades to the **KRegistry platform**, and its supporting IT infrastructure are currently under way.

These essential improvements are intended to enhance system performance, reliability and overall service quality. During this period, users may experience intermittent service disruptions or reduced system availability, particularly on **Saturday, 15 August** and **Sunday, 16 August 2026**.

The Commission appreciates users' patience and understanding while completing the upgrades, and apologises for any inconvenience this may cause.

About the FSC

The FSC serves as the integrated regulator for all financial services businesses operating in or from the TCI, with responsibility for supervising designated non-financial businesses and professions and not-for-profit entities. Through its Commercial Registry, the Commission also administers company formation and the registration of business names, patents, and trademarks.
