PUBLIC ADVISORY

REMINDER: HAVE YOUR SAY ON THE PROPOSED VIRTUAL ASSETS BUSINESS BILL

PROVIDENCIALES, Turks and Caicos Islands; Wednesday, 27th May, 2026 - The TCI Financial Services Commission reminds the public and industry stakeholders that the consultation on the proposed **Virtual Assets Business Bill, 2026** is open. We invite you to review the draft Bill and consultation paper and submit your feedback by 8 June 2026.

Why your input matters

The Bill would establish licensing, supervision, AML/CFT/CPF measures, prudential rules for stablecoins, ICT and cyber resilience requirements, sanctions and enforcement powers, and a regulatory sandbox. Your contributions will help shape a balanced framework that protects consumers, mitigates financial crime risks, and supports responsible innovation.

How to submit feedback

- Email: consultation@tcifsc.tc (subject: "Public Response: Virtual Assets Bill")
- Physical: Deliver a sealed envelope marked "Public Written Response: Virtual Assets Bill" to the TCI FSC offices in Providenciales or Grand Turk.

Privacy and publication

Responses may be reproduced, summarised, or published and may reference names and affiliations. To remain anonymous, please state this in your submission. Personal data will be used only for consultation purposes and as required by government agencies.

More information

Consultation paper and draft Bill: www.tcifsc.tc/consultation
Enquiries: consultation@tcifsc.tc

Be an active contributor — review the materials and submit your written views by 8 June 2026.

About the FSC

The FSC serves as the integrated regulator for all financial services businesses operating in or from the TCI, with responsibility for supervising designated non-financial businesses and professions and not-for-profit entities. Through its Commercial Registry, the Commission also administers company formation and the registration of business names, patents, and trademarks.
